Claim Notes

Claim number:	C-1494
Claimant:	Vanessa Williams
Adjuster:	Christopher Wong

2023-04-02 - Reviewed the first notice of loss. Insured reports a collision at an intersection while turning left. Insured states the other vehicle was approachnig from the opposite direction. No injuries reported at scene by insured. Photos requested.

2023-04-03 - Spoke with claimant by phone. Claimant reports neck pain and stiffness the morning after the collision and has since visited an urgent care clinic. Claimant is not represented by an attorney and prefers to handle the claim directly. Explained the claims process and requested medical records and treatment notes.

2023-04-07 - Received police report. Report noets the insured was turning left and the claimant was proceeding straight through the intersection. Citation issued to insured for failure to yield. Liability appears probable against insured pending review of scene photos and witness statements.

2023-04-14 - Claimant provided treatment summary. Diagnosis is whiplash-type cervical strain with recommended physical therapy over several weeks. Claimant reports ongoing headaches and difficulty turning head to the right while driving. Claimant has not yet returned to regular work duties. Medical bills are being reviewed against policy coverage.

2023-04-19 - Reviewed photos and vehicle damage estimate. Damage consistent with a rear quarter impact to claimant's vehicle. Claimant's vehicle is at repair facility and a supplement is expected. Injury evaluation remains open pending completion of physical therapy and an updated treatment report. Next follow-up scheduled to confirm treatment progress with claimant.

Recorded Statement

Claim number:	C-1494
Statement of:	Vanessa Williams
Taken by:	Christopher Wong
Date:	2023-03-30

Q: Thank you for agreeing to give this recorded statement. Please state the date and time for the record.

A: I'm not going to state a specific date, but it's the afternoon. I'm happy to go ahead.

Q: Can you describe where you were driving when the collision happened?

A: I was in Katy, Texas, heading down a main road toward a shopping center. I needed to make a left turn into the lot.

Q: What were the conditions like at the time?

A: It was daylight and the road was dry. Trafifc was moderate, not heavy.

Q: Walk me through what happened as you began the turn.

A: I had my turn signal on and was waiting for a gap in oncoming traffic. When it looked clear, I started to turn. A vehicle coming from the other direction hit the front driver's side of my car.

Q: Did you see that vehicle before you started turning?

A: I saw it, but it looked far enough away. I think it came up faster than I expected.

Q: Were you injured?

A: Yes. My neck snapped forward and back, and I've had stiffness and pain since. Over the past few days it's gotten worse, and I've had headaches that start at the base of my skull.

Q: Have you seen a doctor or received treatment?

A: I went to urgent care the same day and I've been referred to a physical therapist. I'm scheduled for sessions twice a week.

Q: Is there anything you'd like to add?

A: Only that I'm trying to do everything the doctors ask. I want to get back to normal as soon as I can.

Q: Thank you. That concludes the statement.

A: Thank you.
