Statement of:	Gregory Lawson
Taken by:	Valerie Rodriguez
Date:	11/05/2024

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather not give my full name on a recording, but you can use the claim reference.

Q: That's fine. Can you tell me where you were when the collision happened?

A: I was driving home on a two-lane road in Conroe, Texas. It was late afternoon and the road was wet from a light rain.

Q: What happened right before impact?

A: A pickup came over the center line into my lane. I braked and turned right, but we still collided nose to nose. It wasn't a hard hit, maybe ten or fifteen miles an hour, but my head snapped forward and back.

Q: Did your airbags deploy?

A: Yes, the driver airbag went off. My car was still drivable, so I pulled onto the shoulder.

Q: Did you seek medical attention?

A: The paramedics checked me at the scene, then I went to the emergency room. They diagnosed a concussion. I've had headaches, sensitivity to light, and trouble concentrating since then.

Q: Are you currently under a doctor's care?

A: Yes, I'm seeing a physician and I've been told to limit screen time and rest as much as I can.

Q: Did you lose consciousness at any point?

A: I don't think so, but I was dazed for a few minutes and I don't remember the exact moment of impact.

Q: Is there anything else you think I should know?

A: Only that I'm still having symptoms, and I'm worried about missing work whlie I recover.

Q: Thank you. This concludes the statement.

A: Thank you.
