Claim Notes

Claim number:	C-1496
Claimant:	Sarah Wiggins
Adjuster:	Valerie Rodriguez

02/08/2025 - Claim received by phnoe from the insured driver reporting a low-speed head-on collision at an intersection. Vehicle is drivable but front bumper, hood, and radiator support show damage. Claimant reports pain and swelling in the left wrist and has been advised to seek medical evaluation. Photos requested from the insured and scene diagram obtained.

02/15/2025 - Spoke with the other driver, who confirms the impact was minor but reports neck stiffness and a wrist injury after bracing against the steering wheel. Claimant states they are not represented by an attorney and prefers to handle the claim directly. Explained the claims process, coverage review, and the right to obtain independent medical care. Noted the claimant's preference for written correspondence.

02/20/2025 - Reecived urgent care records showing an X-ray of the left wrist with a fracture of the distal radius. Treatment includes a splint, pain management, and orthopedic follow-up. Claimant reports missed work for several days and is asking about how wage loss is handled. Advised that documentation of lost time will be needed and provided the required forms.

02/26/2025 - Vehicle inspected at the repair facility. Damage is consistent with the reported low-speed impact, with no airbag deployment and no frame involvement. Estimate prepared and submitted for review. Claimant asked whether a rental vehicle is covered and was informed of the rental provisions under the policy.

03/06/2025 - Followed up with the claimant regarding the orthopedic consult and rehabilitation plan. Claimant is progressing and expects to return to regular duties after the follow-up visit. Medical records requested with the claimant's signed authorization. File remains open pending receipt of records, the repair invoice, and wage documentation.

Recorded Statement

Claim number:	C-1496
Statement of:	Sarah Wiggins
Taken by:	Valerie Rodriguez
Date:	02/05/2025

Q: Thanks for taking the time to speak with me today. This recorded statement is about the collision you were involved in on the roadway in Conroe, Texas. Do you understand that this call is being recorded?

A: Yes, I understand.

Q: Can you describe in your own words what happened?

A: I was driving north on the two-lane road, heading toward the light. A car coming the other way drifted over into my lane. I braked and turned left, but we still met nose to nose. It wasn't a hard hit, but my airbag went off and my wrist got caught under the steering wheel.

Q: Were you going fast at the time?

A: No, I'd say maybe twenty-five miles an hour. Traffic was moving slowly and I had just slowed down for the light.

Q: Did you see the other driver before the impact?

A: Only for a second. I saw the headlights swing toward me and I tried to get out of the way.

Q: Were you wearing your seatbelt?

A: Yes, I was buckled in.

Q: Has anyone been to a doctor or hospital since the accident?

A: I went to the emergency room that same evening. They X-rayed my wrist and said it was fractured. I have a cast now and I'm seeing an orthopedic doctor next week.

Q: Are you able to work or do your normal daily activities right now?

A: Not really. I'm right-handed, so typing and driving are difficult. I've been off work for a while.

Q: Is there anything you would like to add or correct in your statement?

A: No, I think that covers it. I just want to get this taken care of.

Q: Thank you. This concludes the recorded statement.
