Description of the accident (claimant's words)

I was changing lanes on a multi-lane road in Conroe, Texas, checking my mirror and signaling before I moved over. As I started to merge, the car in the adjacent lane came up alongside me and its side made contact with my vehicle, pushing mine toward the shoulder. I pulled to the side of the road and stayed there until the police arrived. I have described what happened the same way every time I have spoken about it, whether to the other driver, the officer at the scene, or the adjuster who called me afterward. I am the named driver on this policy and I was oeprating my own vehicle at the time. Since the collision I have had pain in my right shoulder that limits how far I can raise my arm, and I have been seeing a doctor about it. I am submitting this statement so the claim can be reviewed.
