Appraiser remarks

Isnpection of the right rear quarter panel and rear bumper cover shows scraping, a cracked corner of the bumper cover, and a dented rear door skin, consistent with a sideswipe while changing lanes. The damage patetrn lines up with the impact as described. Repair is planned as panel straightening, refinishing of the door and quarter panel, and replacement of the bumper cover, with labor hours that fit the damage shown. No prior damage to this vehicle is known from the file or from the inspection. Two similar charges posted on the same day are currently being verified before the estimate is finalized.
