Description of the accident (claimant's words)

I was turning left at an intersection in Houston, Texas, when another vehicle struck the side of my car. The impact was hard enough to jolt me against my seatbelt and I felt a sharp pain in my lower back almost immediately. I stayed at the scene until the other driver and I exchanged details, and I have described what happened the same way every time I have spoken with anyone about it, including the adjuster and the medical staff I saw afterward. I am the named driver on the policy and the vehicle involved is the one listed on my coverage. Since the collision I have been dealing with a back strain that limits how long I can sit or lift, and I am following the treatment plan I was given. I am submitting this statement so the claim can be reviewed, and I am willing to provide any further information that would help.
