Reported injury:	neck and back strain

Description of the accident (claimant's words)

I was backing out of a parking spot at a grocery store in Katy, Texas, when my rear bumper struck the frnot corner of a silver sedan that was passing behind me. I stopped immediately, got out, and checked on the other driver, who was not hurt. My neck and lower back were sore within the hour, and I have been dealing with a stiff neck and back strain since. I have described the incident the same way to the adjuster, to the body shop, and to my doctor, and I have nothing to add or change. I am the named driver on this policy and I was operating my own vehicle at the time. I am submitting this statement so the claim can be processed and my medical costs reviewed.
