Claim Notes

Claim number:	C-1015
Claimant:	Kevin Clark
Adjuster:	Alison Sweeney

3-3-25
Claim opened for a parking lot collision in which the insured's vehicle was strcuk while stopped. The claimant reports a back strain and is represented by counsel, so all further contact will go through the attorney's office.

3-24-25
Confirmed that the driver is named on the policy and that coverage was in force at the time of the loss. Nothing in the file suggests the damage predates the poilcy period.

5-8-25
Reviewed photographs submitted by the insured. They confirm several detalis of the scene, though no independent witnesses have come forward. The damage to the vehicle appears consistent with the impact described in the report.

8-23-25
Police reocrds and statements from other parties confirm the claimant was in the vehicle at the time. The claimant has given the same account of events in every conversation so far. No earlier damage to the vehicle is known from prior claims or inspection records.

8-27-25
Medical records received. The reported back injury fits the kind and force of the collision. No prior injury to the same area appears in the records. Treatment followed a typical course and tapered off as the claimnat improved.

8-30-25
Reviewed the file and the medical timeline with the claim supervisor. The injury, vehicle damage, and account are consistent with one another, and no evidence has been found that points away from the reported loss. Claim remains open pending final bills from the treating provider.

Recorded Statement

Claim number:	C-1015
Statement of:	Kevin Clark
Taken by:	Alison Sweeney
Date:	1-19-25

Q: Thank you for taking the time to speak with me today. This recording is for our claim file. Can you please state your full name for the record?

A: I'd rather just go by my first name for now, if that's all right.

Q: That's fine. Can you tell me whree you were when the collision happened?

A: I was in the parking lot of a grocery store in Baytown, Texas. I had just pulled into a spot near the front entrance.

Q: What were you doing at the time of the impact?

A: I was backing out of the space, moving slowly, maybe five or ten miles an hour. The other car was coming down the aisle, and I didn't see it until it was right there.

Q: Did you see the other vehicle beofre the contact?

A: Not really. There was a shopping cart return blocking part of my view on the right side.

Q: Did you hear or see any horn or warning before the impact?

A: I heard a short beep, but by then it was too late to stop.

Q: Were there any passengers in your vehicle?

A: No, I was alone.

Q: How fast would you say the other car was going?

A: It didn't seem fast. It was probably moving at about the speed of a person walking quickly.

Q: Did you notice any injuries when the collision happened?

A: My back felt a jolt right away. Over the next day it got stiffer and started aching in the lower area, so I went to see a doctor.

Q: Have you received any treatment since then?

A: I've been doing physical therapy twice a week and taking over-the-counter pain medication. The doctor said it looks like a back strain.

Q: Is there anything you would like to add to your statement?

A: Only that I'm cooperating fully and I want to get my car repaierd and my back looked after.

Q: Thank you. This concludes the statement.
