Description of the accident (claimant's words)

I was making a left turn at an intersection in League City, Texas, when another vehicle struck the side of my car. I had the green light and was waiting for a gap in oncoming traffic when the impact came. My car spun a little, and I was shaken but able to get out and speak with the other driver and the responding officer. Since that moment I have felt a sharp pain in my lower back that has settled into a steady ache, and my doctor has diagnosed a back strain. I have described what happened the same way every time I have spoken about it, whether to the other driver, the officer, my insurer, or my medical provider. I am the named policyholder on this policy, and I am submitting this statement so my claim can be reviewed.
