Description of the accident (claimant's words)

I was turning left at an intersection in Katy, Texas, with a green light, when another vehicle came through the intersection and struck the driver's side of my car. The impact jolted me hard against the seatbelt and I felt a sharp pain in my lower back almost immediately. I have given the same account of what happened every time I have spoken with anyone aobut the collision, including the officer at the scene, the adjuster, and my own doctor. I am the named driver on the polciy listed on this form, and the car involved is the one insured under it. Sicne the accident I have been managing the back strain with rest, medication, and physical therapy, and I am following the treatment plan my doctor recommended.
