Reported injury:	back strain

Description of the accident (claimant's words)

I was backing out of a space in the parking lot of a grocery store in Pearland, Texas, when my rear bumper struck the front corner of a pickup that was passing behind me. I stopped immediately, got out, and exchanged information with the other driver before leaving the scene. Since then I have described the accident the same way each time I have spoken about it, whether to the other driver, to the police officer who took the report, or to the adjuster on the phone. I am the named driver on this policy, and I was operating my own vehicle at the time. The impact was low speed, but I felt a sharp pain in my lower back that evening, and I have since been diagnosed with a back strain. I am providing this statement so the claim can be reviewed on the facts as I experienced them.
