Claim Notes

Claim number:	C-1038
Claimant:	Mike Roberts
Adjuster:	Alison Sweeney

12-21-24
Claim received from the policyholder's driver regarding a collision that occurred while turning left at an intersection. The claimant reports a knee injury and is not represented by an attorney.

1-18-25
Confirmed that the driver is named on the policy and that the policy was in force at the time of loss. No concerns raised at intake regarding coverage status.

3-4-25
Police report obtained. It lists the claimant as a vehicle occupant at the scene and corroborates the general location and sequence described in the first statement.

3-7-25
Reviewed scene photographs supplied by the claimant. They cnofirm several details of the intersection and the position of the vehicles, though no independent witnesses have come forward to describe the collision.

4-12-25
Vehicle damage on the claimant's car is consistent with the impact described, with damage to the front quarter panel and the left side of the bumper. No prior damage to this vehicle is known from our records or the appraisal history.

4-27-25
Medical records reviewed. The reported knee injury fits the type and force of a side impact of this kind. The claimant mentioned a minor strain to the same area years ago, which healed fully according to the prior record.

5-30-25
Treatment followed a typical course, with physical therapy and follow-up visits that tapered as the claimant improved. Current notes describe steady recovery.

6-6-25
In a follow-up call, the claimant added a few small details about the sequence of events, such as the signal timing and where the ohter car stopped. The core account remained the same as the original statement.

6-28-25
Based on the documents reviewed, the claim is consistent in its main points and is proceeding to the evaluation stage. No evidence has surfaced that the damage predates the policy's coverage period.

Recorded Statement

Claim number:	C-1038
Statement of:	Mike Roberts

Date:	11-27-24

Q: Thanks for taking the time to speak with me today. This call is being recorded for claim purposes. Can you confirm you're comfortable continuing?

A: Yes, that's fine.

Q: Please describe where the accident happened and what you were doing at the time.

A: It was an intersection here in League City, Texas. I was turning left across the lanes to get into a shopping center driveway.

Q: What was the traffic like when you started your turn?

A: Not heavy. There was a vehicle coming toward me from the other direction, and I thought it was far enough away to make the turn.

Q: Did you have a green light or a turn arrow?

A: I had a green light, but no arrow. I was waiting for a gap in oncoming traffic.

Q: Then what happened?

A: As I started moving, the other car came through faster than I expected and hit the front passenger side of my vehicle.

Q: Did you see the other vehicle before you began your turn?

A: I saw it, yes. I judged the distance wrong, and I'll admit that.

Q: How fast were you going when you began the turn?

A: Slow, maybe walking speed. I was almost stopped.

Q: Were you hurt?

A: Yes. My right knee took the brunt of it against the dashboard. It's swollen and I've had trouble bearing weight on it.

Q: Have you seen a doctor or received treatment?

A: I was checked at an urgent care clinic that same day, and I've got an appointment with an orthopedist next week.

Q: Is there anything else you'd like to add about the accident?

A: Only that I'm sorry it happened and I hope everyone is recovering okay.

Q: Thank you. That concludes the recorded statement.
