Reported injury:	concussion

Description of the accident (claimant's words)

I was backing out of a parking space at a grocery store in Conroe, Texas, moving slowly, when my vehicle struck the side of a pickup that was pulling through the lane behind me. The imapct was not severe, but my head hit the window frame and I felt dizzy and nauseous within minutes. I was taken to an urgent care clinic, where I was diagnosed with a concussion and told to rest and avoid screens for several days. I have given the same description of what happened to the store staff, the responding officer, my doctor, and the adjuster, and I have nothing to add or change. I am the named driver on the policy under which this claim is filed, and I am submitting this account so that my medical bills and vehicle repairs can be reviewed.
