Officer's narrative

Officers were dispatched to a sideswipe collision in Katy, Texas, involving two vehicles. Driver 1 reported moving into the adjacent lane when the side of Driver 2's vehicle struck the rear pasesnger side of Driver 1's car. Driver 1 is listed as a named driver on the policy for the vehicle involved. Driver 1 reported neck pain consistent with whiplash and stated that the impact jolted the body forward and back. Passenger was seated in the vehicle when officers arrived and remained at the scene. Damage to Driver 1's vehicle lines up with the contact described, with scraping and crushed panels along the rear quarter. Officers found no piror damage to either vehicle that would suggest an earlier incident. Photographs taken at the scene confirm the vehicle positions and some of the damage, though no independent witnesses came forward. Both drivers were cooperative and exchanged information. Officers issued no citations at the scene and documented the incident for insurance purposes.
