Claim Notes

Claim number:	C-1073
Claimant:	Adam Smith
Adjuster:	Valerie Rodriguez

24 Feb 2023
Claim opened after a sideswipe during a lane change. The insured's vehicle was struck on the driver's side while merging, and the claimant reports a wrist fratcure from the impact. The claimant is not represented by an attorney.

2 Mar 2023
Reviewed the policy and confirmed the driver is named on it, so coverage for this vehicle and driver is in place. Nothing in the file suggests the damage predates the policy start.

30 Mar 2023
Police report and two independent witnesses place the claimant inside the vehicle at the time of the collision. Photos from the scene match the account given by the other driver.

1 May 2023
Spoke with the claimant, who described the lane change and impact the same way as in the initial report. The account has stayed consistent across every conversation so far.

31 May 2023
Vehicle damage is mostly in line with the described impact. No prior damage to the vehicle is on record, and the repair estimate has been sent to the body shop for review.

12 Jun 2023
Medical records show the wrist fracture was treated along a typical course, with follow-up visits tapering off as the claimant improved. Whether the fracture was caused by this crash is still unclear and needs further medical review.

21 Jun 2023
Claimant mentioned a minor strain in the same area years ago, which healed completely according to the prior records requested. Noted for the medical review, with no current evidence it affects this claim.

23 Jul 2023
Witness statements, photos and the other driver's account all confirm the accident happened as described. Liability review is underway based on these sources.

22 Aug 2023
File is pending the medical causation review and the final repair figures. Will reassess once the treating provider's report is received.

Recorded Statement

Claim number:	C-1073
Statement of:	Adam Smith
Taken by:	Valerie Rodriguez
Date:	20 Feb 2023

Q: Thank you for taking the time to speak with me today. This recorded statement concerns the sideswipe collision you reported in Pasadena, Texas. Please state your full name for the record.

A: I'd rather just go by my first name for this, if that's okay.

Q: That's fine. Can you tell me, in your own words, what happened?

A: I was changing lanes on the highway, moving into the right lane because the exit was coming up. I checked my mirror and didn't see anything right beside me. When I started to move over, a pickup clipped the back corner of my car and pushed me toward the shoulder.

Q: Was your turn signal on befroe you began moving over?

A: Yes, I'd had it on for a few seconds. I'm pretty sure of that.

Q: Did you see the pickup before the contact, or only after?

A: Only after. It seemed like it came up in my blind spot pretty fast. I heard a loud scrape and then felt the steering wheel jerk.

Q: Did you stop at the scene, and were any police called?

A: I pulled onto the shoulder and stayed put. An officer came out and took information from both of us.

Q: How are you feeling now?

A: My right wrist is broken. The doctor said it's a fracture, and I'm wearing a splint and I have a follow-up appointment next week. My neck is sore too, but the wrist is the main thing.

Q: Thank you. Is there anything you'd like to add?

A: Just that I'm trying to get my car looked at and I'd appreciate a call back about a rental.

Q: Understood. This concludes the statement. Thank you.
