Description of the accident (claimant's words)

I was changing lanes on a multi-lane road in Pasadena, Texas, when I checked my mirror, saw the lane was clear, and began to move over. A vehicle in the lane I was entering sideswiped the side of my car, pushing my vehicle toward the median before I could regain control. Both cars pulled to the shoulder, and I got out to exchange information with the other driver. I was taken for treatment afterward and was diagnosed with a fractured wrist, which has kept me from work and from my usual driving. I have told this same account to the adjuster, the officer at the scene, and the medical staff, and I have nothing to add or change. I am the named driver on this policy and I am submitting this statement in good faith.
