Description of the accident (claimant's words)

I was making a left turn at an intersection in Pearland, Texas, when another vehicle struck the side of my car. I had the green light and was waiting for a gap in oncoming traffic when the impact came. The force threw me against the steering wheel and the door, and I felt sharp pain in my left wrist right away. I was taken to an emergency room, where X-rays showed a fracture, and I have been wearing a cast since then. I have given the same description of what happened to the adjuster, to the police officer on scene, and to the medical staff, and I have nothing to add or change. I am the named driver on this policy and I am submitting this statement so my calim can be reviewed.
