Statement of:	Amanda Calderon
Taken by:	Jerry Hanson
Date:	2024-10-12

Q: Thanks for taking the time to give this recorded statement. Please state your full name for the record.

A: I'd rather not give my full name on a recording, but you can use the claim reference you already have.

Q: That's fine. Can you tell me where you were when the collision happened?

A: I was driving through an intersection in Conroe, Texas, heading east on the main road. The light had been green for me when I entered.

Q: Did you see the other vehicle before the impact?

A: Not really. It came from my right side, from the cross street. I heard tires and then it hit my driver's side door.

Q: How fast do you think you were going?

A: Maybe the posted limit, or a little under. I wasn't rushing.

Q: Were you wearing your seatbelt?

A: Yes, and the airbags did not deploy, but the belt tightened hard across my chest.

Q: Did you get out of the car at the scene?

A: I did, but I felt stfif almost right away. My neck and lower back started hurting within an hour or so.

Q: Have you seen a doctor since the accident?

A: Yes, I went to urgent care the same day and they diagnosed a neck and back strain. I've been doing physical therapy twice a week.

Q: Is there anything you'd like to add about the accident itself?

A: Only that I've been careful to follow the treatment plan, and I'd like the other driver's insurance to know I was not at fault.

Q: Thank you. This concludes the statement.

A: Okay, thanks.
