Claim Notes

Claim number:	C-1099
Claimant:	Sarah Foster
Adjuster:	Valerie Rodriguez

05/08/2023
First notice of loss received for a rear-end collision on a city arterial road. The claimant reports being stopped at a signal when their vehicle was struck from behind, and a claim file has been opened for both vehicle damage and bodily injury.

05/26/2023
Confirmed the driver is named on the policy and that coverage was in force at the time of the loss. Nothing in the policy records or the account suggests the damage predates the coverage period.

06/01/2023
Contacted the claimant to take a recorded statement. They describe the impact as sudden and forceful and say they felt a sharp pain in the shoulder almost immediately afterward.

07/01/2023
Police report obtained. The responding officer documented the calimant in the driver's seat at the scene and recorded the rear-end impact, consistent with what the claimant described.

07/06/2023
Obtained statements from two independent witnesses, both of whom saw the collision and confirm the sequence of events as the claimant gave it. Photographs from the scene were also received and show the vehicles in the positions described.

07/19/2023
The other driver's statement matches the claimant's account of how the collision occurred. No dispute has been raised about fault for the impact.

07/20/2023
Inspected the claimant's vehicle. The rear damage is consistent with the force and direction of the impact described, and no prior damage to the same areas appears in our records or in the inspection.

08/30/2023
Claimant's medical records show a shoulder injury consistent with the type and force of the collision. The claimant reports no earlier injury to that body area, and none appears in the available history.

11/11/2023
Follow-up call with the claimant. They added a few minor details about the moments after the impact, but the core account remains unchnaged from the first statement.

11/15/2023
Treatment has continued somewhat longer than is typical for this kind of shoulder injury. The treating provider's notes explain the progress and the claim is being monitored for reasonableness of ongoing care.

11/30/2023
Claim remains open pending final medical updates. Vehicle repair authorization and the inujry evaluation are both being processed, with no coverage concerns identified at this stage.

Recorded Statement

Claim number:	C-1099
Statement of:	Sarah Foster
Taken by:	Valerie Rodriguez
Date:	05/10/2023

Q: Thank you for taking the time to give this recorded statement. Please state your full name for the record.

A: I'd rather just keep it as the claimant for this, if that's alright.

Q: That's fine. Can you tell me where you were when the collision happened?

A: I was driving on a main road in Katy, Texas, heading toward the sohpping area near the freeway. Traffic had slowed down for a light ahead of me.

Q: What happened next?

A: I came to a stop behind a sedan. Then I felt a hard jolt from behind. My head snapped forward and back, and my car was pushed a few feet into the intersection.

Q: Did the other driver say anything at the scene?

A: They apologized right away. They said they had looked down at their phone for a second and didn't stop in time.

Q: Did you get out of the vehicle?

A: Yes, but I was stiff and sore already. I sat on the curb for a while. My right shoulder was throbbing and I could barely lift my arm.

Q: Have you sought medical treatment since the accident?

A: Yes. I went to an urgent care clinic that same afternoon, and they told me to follow up with an orthopedic doctor. I've had imaigng done and I'm doing physical therapy twice a week.

Q: Were you wearing your seatbelt?

A: Yes, I was.

Q: Has anything else come up that you'd like to add?

A: Only that I've had trouble sleeping and I've msised some work because of the pain. I'm hoping to get back to normal as soon as possible.

Q: Thank you. That concludes the statement.
