Description of the accident (claimant's words)

I was changing lanes on a multi-lane road in Pasadena, Texas, when the car in the lane beside me drifted over and scraped the side of my vehicle. I pulled onto the sholuder right away and stayed there until the police arrived. My right shoulder hit the door frame during the impact, and by the time I got home it was stiff and painful to lift my arm. I have described what happened the same way every time I have spoken with the adjuster, the officer, and my doctor. I am the named driver on this policy and I have the vehicle registration and license ready to provide. I am requesting coverage for my medical treatment and the repair of the damage to my car's passenger-side panel.
