Bodily Injury Unit

Claim Notes

Claim number:	C-1112
Claimant:	Theresa Espinoza
Adjuster:	Christopher Wong

10-1-23
Claim opened after a report of a low-speed collision in a parking lot involving the insured's vehicle and a second vehicle. The claimant is represented by counsel, and all further contact will go through the attorney's office. The driver is named on the policy.

10-29-23
Police report received and reviewed. It confirms the claimant was in the vehicle at the time of the incident. Scene photos were submitted by the insured and show damage consistent with the reported impact.

11-10-23
Adjuster inspected the vehicle and found damage that matches the described impact. No earlier damage to the vehicle is known from prior claims or inspection records. Nothing suggests the damage predates the start of coverage.

11-11-23
Attorney letter received with the claimant's written statement of the collision. The statement describes the sequence of events and the position of both vehicles. No independent witnesses have come forward to date.

12-15-23
Medical records received showing a shoulder injury. The reported injury fits the kind and force of the crash. Prior medical history reviewed, and no earlier injury to the same body area is known.

12-18-23
Treatment followed a typical course, with physical therapy and follow-up visits. Records show the claimant's symptoms improved steadily, and treatment tapered off as recovery progressed.

12-27-23
Claimant provided a supplemental statement through counsel adding a few minor details about the moments before impact. The core account of the collision remained the same as the original statement.

2-3-24
Photos submitted by the claimant were compared with the polcie report and the adjuster's inspection notes. They confirm some details of the scene, though they do not show the moment of impact.

2-26-24
Reviewed the medical bills against the treatment records. The charges line up with the care documented and the recovery timeline described by the treating provider.

4-24-24
Claim file reviewed and ready for the next step in the evaluation. Coverage confirmed for the driver named on the policy. Next action is to finalize the injury assessment with counsel.

Recorded Statement

Claim number:	C-1112
Statement of:	Theresa Espinoza
Taken by:	Christopher Wong
Date:	9-20-23

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather not give my full name on the recording, if that's okay. You can call me the passenger.

Q: That's fine. Can you tell me where you were when the collision happened?

A: We were in a parking lot in Katy, Texas, at a shopping center. The driver was backing out of a space when another vehicle came down the lane.

Q: Were you wearing a seatbelt at the time?

A: Yes, I had it on.

Q: Describe what happened right before impact.

A: We were stopped, waiting for the other car to pass. Then it sped up and clipped the rear quarter panel of our car. It wasn't a huge hit, but I felt a hard jolt through the seat.

Q: Did you hit anything inside the vehicle?

A: My right shoulder hit the door farme and the armrest. I felt it right away, a sharp pain that spread into my neck.

Q: Did you go to a medical facility afterward?

A: Yes, I went that same day to an urgent care clinic. They took X-rays and told me to follow up with a specialist.

Q: Are you still having symptoms?

A: Yes. Lifting anything overhead hurts, and I've been sleeping on my left side because the right shoulder ahces at night.

Q: Tahnk you. Is there anything else you'd like to add?

A: Only that the driver of the other car gave me a card with insurance details, and I still have it if you need a copy.

Q: Thank you for your time. This concludes the statement.
