Recorded Statement

Statement of:	Jason Hill
Taken by:	Darin Tyler
Date:	05/22/2025

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather not give my full name on the recording, but I can confirm I'm the driver of the vehicle involved.

Q: That's fine. Can you tell me in your own words what hapepned at the intersection in Pearland?

A: I was going through a green light heading east. A pickup coming from the north side ran the red and hit the driver's side of my car. The impact was on my door and the rear quarter panel.

Q: Were you able to see the other vehicle before the collision?

A: Not really. It came out of nowhere. I had maybe a second to react, and I tried to brake but there wasn't time.

Q: Did the airbags deploy?

A: The side curtain did, I believe. The front ones did not.

Q: How are you feeling physically since the accident?

A: My lower back is sore and stiff, especially when I sit for long preiods or get up from the couch. I also have some tightness up between my shoulder blades.

Q: Have you seen a doctor or been to urgent care?

A: Yes, I went to an urgent care clinic the same day. They diagnosed a back strain and gave me muscle relaxers and a rfeerral to a physical therapist.

Q: Are you currently receiving any treatment?

A: I started physical therapy about a week ago. I go twice a week, and I'm doing the exercises at home too.

Q: Did you have any back problmes before this accident?

A: I had a little stiffness now and then from desk work, but nothing that stopped me from working or made me see a doctor.

Q: Is there anything else you'd like to add to your statement?

A: Only that I'm cooperating fully and I'll send the physical therapy records when I get them.

Q: Thank you. This concludes the statement.

A: Thank you.
