Claim Notes

Claim number:	C-1114
Claimant:	Jodi Sanchez
Adjuster:	Chelsea Hebert

11/04/2023
Claim reported by the insured's policyholder after a rear-end collision at a signalized intersection. The claimant has retained counsel, and all further contact is to go through the attorney's office.

12/02/2023
Confirmed the driver is named on the policy and that coverage was active at the time of loss. Nothing in the file suggests the vehicle damage perdates the policy start.

01/02/2024
Photos from the scene and the repair shop show damage consistent with the described impact. No independent witnesses have come forward, so photos are the main visual record for now.

02/03/2024
Police report places the claimant in the vehicle at the time of collision, and the responding officer's notes match the account given to us. Vehicle damage aligns with the reported point and force of impact.

02/05/2024
Counsel submitted the initial injury summary, reporting neck strain. The reported injury fits the kind and force of a rear-end impact of this type.

02/19/2024
Claimant's account was given in a recorded call and again in the follow-up interview, and the core details were the same both times. Requested the medical records and itemized bills from the treating provider.

05/19/2024
Medical records show no prior treatment to the neck or upper back, and our index search returned no earlier claims for the same body area.

05/26/2024
Treatment has run somewhat longer than is typical for a neck strain of this severity. Requested the treating physician's notes explaining the expected recovery timeline and the reasons for continued visits.

06/14/2024
Reviewed the vehicle's prior repair history and found no earlier damage on record. The repair estimate is being checked against the photos and the reported impact.

06/27/2024
Sent a status letter to counsel lsiting outstanding items: the physician's treatment notes, the final itemized bills, and the repair invoice. Will reassess once these are received.

Recorded Statement

Claim number:	C-1114
Statement of:	Jodi Sanchez
Taken by:	Chelsea Hebert
Date:	11/10/2023

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather just be called the claimant on this, if that's alright.

Q: That's fine. Can you describe where you were when the collision happened?

A: I was stopped at a red light on a main road in Pasadena, Texas, in the right lane. Traffic was backed up a bit.

Q: What happened next?

A: I felt a hard jolt from behind. The car lurched forawrd and I hit the brakes, but there wasn't much I could do. My head snapped back and then forward.

Q: Did you exit your vehicle or speak with the other driver?

A: I got out to look at the damage. The other driver said he was looking at his phone and didn't see the light change in time. He seemed apologetic.

Q: Were there any police or witnesses at the scene?

A: An officer came out and took a report. I think a couple of people in the next lane stopped too, but I didn't get their details.

Q: Did you seek medical attention after the accident?

A: Yes, I went to urgent care that same evening. They said I had a neck strain and gave me a muscle relaxer and told me to rest.

Q: Are you still experiencing symptoms?

A: Yes. My neck is stiff, epsecially in the morning, and turning to check my blind spot when I drive hurts. Some headaches too, but they come and go.

Q: Have you missed any work because of your injuries?

A: I took a couple of days off and I'm doing lighter duties now. My doctor is seeing me again next week.

Q: Is there anything else you'd like to add to your statement?

A: Only that I'm trying to get back to normal and I want this handled fairly.

Q: Thank you. This concludes the recorded statement.
