Officer's narrative

Officers responded to a rear-end collision in League City, Texas, where a vehicle operated by Driver 1 was stopped in traffic when the rear of the vehicle was struck by a vehicle operated by Driver 2. Driver 1 was identified at the scene and is listed as the named insured on the applicable auto policy. Driver 1 reported neck pain consistent with whiplash, a complaint that fits the forces involved in a collision of this type. A Passenger was also in Driver 1's vehicle at the time and was confimred by responding officers and by sttaements from independent witnesses. Driver 2 acknolwedged the sequence of events as Driver 1 described them, and witnesses gave accounts consistent with that version. Photographs taken at the scene show rear-end damage that corresponds to the reported point and direction of impact. Driver 1 reported no prior damage to the vehicle, and none was observed by officers during the inspection. No further unusual circumstances were noted, and the report is closed pending supplemental documentation.
