Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather just keep it to the accident details, if that's okay.

Q: That's fine. Can you describe where the collision happened?

A: It was at a signalized intersection in Sugar Land, Texas. I was in the left-turn lane heading to a shopping center on the far side.

Q: Which direction were you traveling, and what did the sginal show when you started your turn?

A: I was going straight through the intersection on the main road, then turning left onto the side street. The light had turned yellow when I reached the intersection, and I started my turn on a green arrow.

Q: Did you see the other vehicle before impact?

A: Not until the last second. A pickup came through from the opposite direction, and I heard the brakes before the crash.

Q: Were you wearing your seatbelt?

A: Yes, I was.

Q: Did you notice any traffic control malfunction or obstruction in the intersection?

A: No. The signal seemed normal. There was a delivery truck parked near the curb, but it wasn't blocking my path.

Q: Where did you feel the injury?

A: My left wrist hit the steering wheel and the door frame. I've since been told it's fractured, and I'm wearing a splint now.

Q: Did you seek medcial treatment the same day?

A: Yes, I went to an uregnt care clinic that afternoon, and they sent me for X-rays.

Q: Has anyone else been injured?

A: The driver of the pickup said he was fine, and I didn't see anyone else hurt.

Q: Is there anything you would like to add to your statement?

A: Only that I'm sorry for the damage, and I want to make sure my insurance is handled properly.

Q: Thank you. This concludes the recorded statement.
