Claim Notes

Claim number:	C-1123
Claimant:	Steven Moore
Adjuster:	Darin Tyler

12-24-23
Claim opened for a parking lot collision with a reported neck and back strain. The claimant is represented by counsel, and all further contact will go through the attorney's office.

12-30-23
Reviewed the police report and the statements from two witnesses, who both describe the other vehicle backing into the claimant's car at low speed. The other driver's account matches theirs.

12-31-23
Photos submitted by the claimant and the body shop show damage to the rear bumper and tailgate that lines up with the impact described. No earlier damage to the vehicle is konwn from prior claims or repair records.

1-26-24
Confirmed the driver is named on the policy and that the coverage was active on the day of loss. Nothing in the file suggests the damage predates the policy start.

3-4-24
Spoke with the claimant's attorney, who provided the initial medical report describing neck and back strain. The reported injury is consistent with a collision of this type.

3-12-24
The claimant has given the same account of the accident in every conversation so far, including the recorded statement and the follow-up call. The details have not shifted.

3-21-24
Reviewed the claimant's prior insurance and medical history. No earlier injury to the neck or back has been identified in the records provided.

4-13-24
Treatment has grown steadily over the past months, with additional visits and new services adedd each month. The volume now runs well beyond what is typical for a strain of this kind, and I have requested the treatment records for review.

7-2-24
Police and witness statements confirm the claimant was in the vehicle at the time of the collision, which is consistent with the medical timeline provided by the attorney.

8-4-24
File remains open pending receipt of the complete treatment records and a review of the billing against the injury. Next step is to schedule an independent medical review.

Recorded Statement

Claim number:	C-1123
Statement of:	Steven Moore
Taken by:	Darin Tyler
Date:	12-21-23

Q: Thanks for taking the time to speak with me today. This recorded statement concerns the parking lot collision you reported. Please state your full name for the record.

A: Sure. I'd rather keep my personal details out of it, so I'll just say I'm the driver of the vehicle that was hit.

Q: That's fine. Can you describe where the collision happened?

A: It was in a shopping center parking lot in Conroe, Texas, near one of the main entrances. I was pulling out of a parking space when the other car came down the aisle.

Q: How fast would you estimate you were moving when the impact occurred?

A: I'd say I was going very slowly, maybe a walking pace. I was just backing out and had almost cleared the space.

Q: And the other vehicle, how was it moving?

A: It was coming through the lane at a steady speed. I didn't see it until it was pretty close, and then it clipped the rear quarter panel of my car.

Q: Were you wearing your seatbelt?

A: Yes, I was.

Q: Did you feel any pain or discomfort right after the impact?

A: Not right away. About an hour later my neck started to stiffen, and by the next morning my lower back was sore too. I've been dealing with that since.

Q: Have you sought medical treatment for those symptoms?

A: Yes, I saw a doctor and was diagnosed with a neck strain and a lower back strain. I'm doing physical therapy twice a week now.

Q: Thank you. Is there anything else you'd like to add to your statement?

A: Only that I want to get my car repaired and get back to normal. I'm willing to provide any records you need.

Q: Thank you for your cooperation. This concludes the recorded statement.
