Description of the accident (claimant's words)

I was stopped at a red light on a busy road in Baytown, Texas, when the car behind me struck the rear of my vehicle at a speed I did not expect. The impact pushed me forward against my seatbelt and jolted my arm hard against the steering wheel. Right away I felt sharp pain in my wrist, and over the following hours it swelled badly. I was taken to a clinic, where an X-ray confirmed a fracture and I was placed in a splint. I have described what happened the same way every time I have spoken about it, to the officer at the scene, to the medical staff, and to my insurer. I am the named driver on this policy and I am submitting this statement to request assistance with my meidcal costs, the repair of my vehicle, and the time I have lost from work while my wrist heals.
