Claim Notes

Claim number:	C-1136
Claimant:	Amber Jones
Adjuster:	Darin Tyler

6-30-24
Claim reported by phone this morning after a hit while turinng left at an intersection, with the claimant describing a neck strain and pain since the impact. Claimant is represented by counsel, so all further contact will go through the attorney's office.

7-20-24
Reviewed the photos submitted with the file, which confirm some of the details described, including the position of the vehicles after the collision. No independent witnesses have come forward, but the responding officer's report places the claimant in the vehicle at the scene.

7-26-24
Vehicle damage to the front quarter panel and bumper lines up with the impact described by the claimant and the agnle of the turn. Appraiser's notes support the repair estimate as presented.

8-18-24
Confirmed with the policy records that the driver lives with the named policyholder and is covered as a household member under the policy. No issues with coverage eligibility at this stage.

8-21-24
Checked the vehicle's prior claims and inspection history and found no earleir damage to the same areas. Nothing in the file suggests the damage occurred before the coverage period began.

9-10-24
Obtained the initial treatment records. The injury reported, a neck strain, fits the kind and force expected from this type of collision.

10-11-24
Claimant's medical history shows no earlier injury to the neck or upper back. Treatment has followed a usual course so far, with the frequency of visits decreasing as symptoms improved.

10-27-24
Spoke with the claimant again through counsel. The account of the collision matched what was given in the first report and in each prior conversation, with no changes in the sequence of events.

11-5-24
Reviewed the latest treatment notes. Progress has been steady, the claimant reports less pain and reduced stiffness, and the provider is tapering the plan toward discharge.

12-24-24
Updated the reserve to reflect the current treatment course and repair estimate. File remains open pending receipt of the final treatment summary and the attorney's demand package.

Recorded Statement

Claim number:	C-1136
Statement of:	Amber Jones
Taken by:	Darin Tyler
Date:	7-3-24

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather keep my name off this one, if that's okay. You already have it on the claim.

Q: That's fine. Can you tell me where you were when the collision happened?

A: I was in Pearland, Texas, heading toward a shopping center on the east side of the road. I was making a left turn into the lot.

Q: What was the traffic like at the time?

A: It was fairly light. There was one car coming the other way, maybe a little farther back than I expected.

Q: Did you see the other vehicle before you started your turn?

A: I saw it, but I thought I had more room than I did. I judged the gap wrong, and it clipped the front corner of my car as I was crossing into the lane.

Q: Was your vehicle moving when the impact happened?

A: Yes, I was rolling slowly, probably aronud ten or fifteen miles an hour.

Q: Did you or the other driver brake before contact?

A: I braked as soon as I saw the car getting close, but there wasn't time to stop completely.

Q: Have you had any injuries from the collision?

A: Yes, my neck. I felt a jolt right away and it has been stiff and sore since then. I've been doing some stretching and taking it easy.

Q: Have you sought medical care for the neck?

A: I went to a clinic the next day and they told me it was a strain. I'm following their advice and I have a follow-up scheduled.

Q: Is there anything else you'd like to add to your statement?

A: Only that I'm sorry it happened, and I'm willing to cooperate with whatever you need from me.

Q: Thank you. This concludes the statement.
