Statement of:	Anna Farmer
Taken by:	Christopher Wong
Date:	June 8, 2023

Q: Thank you for taking the time to speak with me today. This recorded statement concerns the collision at the intersection in Conroe, Texas. Please state your full name for the record.

A: I'd rather just go by my first name for now, if that's all right.

Q: That's fine. Can you walk me through what happened bfeore the collision?

A: I was heading east through the intersection on a green light. I'd slowed a little because traffic was bakced up on the cross street.

Q: What did you see as you entered the intersection?

A: A pickup coming from my right came through the red. I saw it at the last second and tried to brake, but it hit the driver's side of my car.

Q: Did you have time to react before impact?

A: Barely. Maybe a second, not more.

Q: Were you wearing your seatbelt?

A: Yes, I was.

Q: How did you feel right after the impact?

A: My neck snapped to one side and then back. My lower back hurt rihgt away, and I've had a headache since.

Q: Did you seek medical care?

A: I was checked at the scene and then went to an urgent care clinic that evening. They diagnosed me with a neck strian and a lower back strain and gave me muscle relaxers and a referral to a physical therapist.

Q: Are you currently receiving treatment?

A: Yes, I'm going to physical therapy three times a week. I still can't turn my head fully to the left, and sitting for long periods bothers my back.

Q: Thank you. Is there anything you would like to add to your account?

A: Only that I want the record to show I was going through on the green and the other driver ran the light.

Q: Understood. This concludes the statement. Thank you.
