Q: Thank you for taking the time to give this recorded statement. Please sttae your full name for the record.

A: I'd rather not give my name on the recording, but you can note that I'm the driver of the vehicle that was struck.

Q: That's fine. Can you describe where the collision happened?

A: It was on a main road in Pearland, Texas, near a shopping center. I was stopped at a red light in the right lane.

Q: What happened next?

A: I was waiting for the light to change when I felt a hard jolt from behind. The other car hit my rear bumper. I didn't see it coming because I was looking at the signal.

Q: Were you able to drive your vehicle afterward?

A: Yes, it was drivable, but the trunk wouldn't close properly and the bumper was pushed in. I pulled into the parking lot and waited for the police.

Q: Did you receive any medical attention?

A: I went to an urgent care clinic that same afternoon. My neck was stiff and sore, and my lower back felt tight, especially when I sat for long periods.

Q: Have you been seeing a doctor since then?

A: Yes, I'm going to physical therapy twice a week. The doctor diagnosed me with a neck and back strain and gave me muslce relaxers.

Q: Have you missed any work because of your injuries?

A: I've been out for a few days and I'm on light duties now. I'm still having trouble lifting things at home.

Q: Did you have any pain or stiffness before this collision?

A: I had some occasional back stiffness, but nothing that stopped me from working or doing my normal activities.

Q: Is there anything else you'd like to add to your statement?

A: Only that I'm still recovering, and I'd appreciate it if you kept me updated on the claim.

Q: Thank you. This concludes the statement.

A: Thank you.
