Description of the accident (claimant's words)

I was stopped at a red light on a main road in League City, Texas, when the car behind me hit my rear bumper hard enough to jolt me forward against my seatbelt. I got out and spoke with the other driver, who was calm and exchanged inusrance details with me. Afterward, I felt a stiffness in my neck and a dull ache across my lower back, which grew worse over the next day. I have described what happened the same way every time I have spoken about it, whether with the police officer at the scene, the adjuster, or my doctor. I am not the policyholder on this vehicle; I live in the same household as the policyholder and am covered as a member of that household. I am submitting this statement so the claim can be reviewed, and I am happy to provide any further details or records that would help.
