Claim Notes

Claim number:	C-1149
Claimant:	Sarah Stevens
Adjuster:	Jerry Hanson

01/12/2025
Claim received for a side impact at an intersection, with the insured's vehicle struck on the driver's side by another vehicle. The claimant is represented by counsel, and all futrher contact is being routed through the attorney's office.

01/22/2025
Reviewed the policy and confirmed the driver involved is listed as a named driver, and the loss falls within the coverage period with nothing suggesting the damage predates it.

01/28/2025
Obtained statements from the other driver and two independent witnesses, all of whom describe the collision happening as the claimant reported it. Scene photos are consistent with the vehicle damage and the direction of impact.

01/29/2025
The claimant reports a wrist fracture from the crash. Medical records reviewed so far show the injury is a plausible result of an impact of this type, and no prior injury to the same area appears in the history on file.

05/09/2025
Treatment followed a usual course, with casting, follow-up visits, and therapy, and the treating notes show steday improvement that has tapered off over recent weeks.

06/11/2025
The claimant has since added a few smaller details about the event, but the core account has not changed from the first statement taken through counsel.

06/16/2025
It is still unclear from the materials on hand exactly where the claimant was seated in the vehicle at the moment of impact, and the question is noted for follow-up with counsel.

08/20/2025
While checking prior records on the vehicle, found a report from an earlier accident showing similar major damage to the same area, which was never submitted to us at the time. The current claim presents that damage as new, so the discrepancy has been flagged for further review.

08/28/2025
Referred the file for a supervisor review to address the prior-damage record and the open question about seating position before any settlement position is taken. Counsel will be notified of the review and asked for the outstanding information.

Recorded Statement

Claim number:	C-1149
Statement of:	Sarah Stevens
Taken by:	Jerry Hanson
Date:	01/14/2025

Q: Thanks for taking the time to speak with me today. This recorded statement concerns the collision at the intersection in Katy. Please state your full name for the record.

A: I'd rather just give you the facts, but I'm fine going on the recording. I'm the driver of the vehicle that was struck.

Q: Understood. Can you walk me through what happened before the impact?

A: I was heading through the intersection on a green light. I'd slowed a little because traffic was backed up on the cross street. Then a pickup came in from my right side and hit my driver's door.

Q: Did you see the pickup before it reached you?

A: Not clearly. I noticed headlights to my right, but I was focused on the car ahead of me and didn't react in time.

Q: Were you wearing your seatbelt?

A: Yes, the whole time.

Q: What injuries did you sustain?

A: I borke my left wrist. The doctor said it was a fracture near the joint. I've had it in a splint and I'm going to a hand specialist next week. My shoulder is sore too, but the wrist is the main problem.

Q: Did you receive any treatment at the scene?

A: The paramedics checked me out and wanted me to go to the hospital. I went by ambulance and was seen the same day.

Q: Has anyone else been involved or made statements about the crash?

A: The other driver's insurer has contacted me. A passenger in the pickup was there too, but I didn't speak with her beyond exchanging information.

Q: Is there anything you'd like to add or correct?

A: Only that the damage to my car was on the driver's side, and it's still at the repair shop. That's all I have.

Q: Thank you. This concludes the statement.
