Description of the accident (claimant's words)

I was driving through the intersection in Pearland, Texas, on a clear afternoon when a vehicle coming from my right failed to stop and sturck the side of my car. The impact pushed my vehicle toward the curb and I felt a sharp pain in my right knee as it hit the dashboard area. I have been the named driver on this policy for several years and I was operating my own vehicle as listed. I gave the same description of how the collision happened to the officer at the scene, to the other driver's insurer, and to my own adjuster, and I have not changed any detail since. I went to urgent care the same day, where the knee was examined and I was advised to rest it and follow up with a specialist. I am submitting this statement so the claim can be reviewed based on what occurred.
