Our client: Lori Greene
Date of loss: 17 May 2024

Dear Claims Representative:

This firm reprseents the injured praty in connection with the side-impact collision that occurred at a controlled intersection. Our client sustained injuries that are currently under medical evaluation, and we expect the full extent of those injuries to be documented in the coming weeks.

Please direct all future communication regarding this matter, including requests for statements, scheduling, and settlement discussions, exclusively to this office. Do not contact our client directly or through any other representative.

We also request that you provide the bodily injury and property damage liability limits for each policy that may apply to this loss, along with a certified declarations page for each.

Finally, we ask that your company preserve all evidence relating to the incident. This includes the claim file, photographs, vehicle data and telematics, recorded statements, adjuster notes, police and incident reports, and any electronic communications. Please confirm in writing that a litigation hold has been placed on these materials.

Sincerely,
