Description of the accident (claimant's words)

I was stopped at a red light on a main road in Baytown, Texas, when the vehicle behind me struck the rear of my car. The impact was firm enough to push me forward against my seatbelt, and I felt a sharp pain in my lower back almost immediately. I exchanged information with the other driver at the scene and gave the same description of what happened to the officer, to the adjuster who called me, and to the medical staff who examined me afterward. I am the named driver on this policy and I was operating my own vehicle with the owner's permission at the time. Since the collision I have been treated for a back strain and have followed the recommended rest and physical therapy. I am providing this statement so the claim can be reviewed based on my account.
