Re: Claim C-1173
Our client: James Powell
Date of loss: October 26, 2024

Dear Claims Representative:

This firm has been retained to represent the interests of our client in connection with a rear-end collision that occurred while our client was lawfully stopped at a traffic signal. Our client sustained injuries that are currently under medical evaluation and treatment, and we expect the full extent of those injuries and associated losses to be documented in the coming weeks.

Please direct all further communication regarding this matter to this office and do not contact our client directly, either by telephone, in writing, or in person. If your insured or any representative of your company has already spoken with our client, please let us know so that we can address it.

We request that you provide a complete copy of the policy declarations page, including the bodily injury and property damage limits applicable to this claim, as well as any excess or umbrella coverage that may apply.

Finally, we ask that your company preserve all evidence relating to this incident, including photographs, vehicle data, dash camera or telematics records, claim file notes, recorded statements, and any communications with your insured. Please confirm in writing that these materials will be retained.

Sincerely,

Andrew Lewis
