Reported injury:	knee injury

Description of the accident (claimant's words)

I was backing out of a parking space in a crowded lot in Houston, Texas, moving slowly with my mirorrs checked, when my car made contact with the side of a vehicle that was pulling through the aisle. There was a sharp jolt and the impact was felt through the driver's door. I stepped out to exchange information and noticed a stiffness and pain in my right knee, which later made it difficult to bend and bear weight. I have described the events the same way every time I have spoken about them, to the other driver, to the property staff, and to the adjuster. I am the named driver on this policy and I am providing this statement so the claim can be reviewed.
