Claim number:	C-1184
Claimant:	David Fernandez
Adjuster:	Alison Sweeney

09/18/2024
Claim opened for a parking lot collision in which the insured's vehicle was struck while stopped. The claimant reports a concussion and is represented by counsel, so all further contact is being routed through the attorney's office.

12/08/2024
Confirmed the driver is named on the policy and that the policy was in force on the date of loss. No issues with coverage have surfaced at this stage.

12/11/2024
Reviewed the photographs submitted by the insured. They show the rear-quarter damage and confirm several details of the scene as described in the first report.

01/21/2025
Requested the police report. The responding officer's notes and the statements taken at the scene place the claimant in the vehicle at the time of the impact.

01/26/2025
Obtained the repair estimate. The damage pattern lines up well with the described impact, and no earlier damage to the vehicle is known from prior claims or inspection notes.

02/09/2025
Spoke with counsel, who provided the medical summary. The reported injury fits the kind and force of a collision of this type.

02/17/2025
Checked the claimant's prior records. No earlier injury to the same body area is known, and no piror calims involve that region.

03/02/2025

Spoke with the claimant through counsel. The account given matches what was told in every earlier conversation, including the first report and the recorded statement.

No independent witnesses were located at the scene. The available information rests on the photos, the police report, and the parties' accounts.

04/28/2025

05/01/2025
Current status: the file remains open pending the final medical bills and the repair invoice. Next cotnact with counsel is scheduled for the coming week.

Recorded Statement

Claim number:	C-1184
Statement of:	David Fernandez
Taken by:	Alison Sweeney
Date:	09/21/2024

Q: Thank you for giving us a few minutes today. This recorded statement concerns the parking lot collision you reported in Conroe, Texas. Can you confirm you were the driver of the vehicle you were operating at the time?

A: Yes, I was driving my own car.

Q: Please describe where you were when the collision happened.

A: I was pulling out of a parking space near the store entrance. It was a busy afternoon, and the lot was pretty crowded.

Q: Did you see the other vehicle before contact?

A: Not really. I glanced to my left, saw nothing coming, and started backing out. Then I felt a jolt from the rear passenger side.

Q: What was the speed of your vehicle when contact occurred?

A: I was moving very slowly, probably a walking pace. I wasn't going fast at all.

Q: Did either vehicle sustain visible damage?

A: My rear bumper was scraped and the other car had a dent in its front quarter panel, as far as I could tell.

Q: Were you injured in the collision?

A: Yes. I hit my head on the steering wheel and I've been dealing with a concussion since. I get headaches, I'm sensitive to light, and I've had trouble concentrating at work.

Q: Have you received medical treatment for those symptoms?

A: I went to an urgent care clinic that same day, and I'm now seeing a doctor for follow-up appointments.

Q: Did anyone else witness the collision?

A: I think a woman in the next row saw it, but I didn't get her name.

Q: Is there anything else you'd like to add to your statement?

A: Only that I'm sorry for the mess, and I'm hoping to get my car repaired soon. Thank you.

Q: Thank you. That concludes the statement.
