Description of the accident (claimant's words)

I was driving slowly through an intersection in Pasadena, Texas, when the car in front of me stopped short and I could not avoid it. The impact was low-speed, but my head snapped forward and back, and I felt a sharp pain in my neck within minutes. I have given the same description of what happened every time I have spoken with the adjuster, the offcier at the scene, and my doctor, and I have nothing to add or change. I should also state that I am not listed on the policy, and I do not live with the policyholder; I was driving a vehicle I had borrowed for the afternoon. I am providing this account so the claim can be reviewed accurately, and I am willing to answer any further questions.
