Description of the accident (claimant's words)

I was driving home on a weekday afternoon when the car in front of me slowed down suddenly, and I moved into the oncoming lane to avoid it. A vehicle coming the other way could not stop in time, and we collided head-on at low speed. Both cars were moving slowly, and the impact was not severe, but my right shoulder struck the door frame and I felt sharp pain immediately. I have described the events the same way every time I have spoken about them, to the other driver, to the responding officer, and to my own insurer. I am the named driver on this policy and I was operating my own vehicle at the time. I have since been seen by a doctor for ongoing shoulder pain and limited movement, and I am following the treatment plan I was given.
