I stayed in my seat for a few minutes before getting out to check on the other driver, who was also shaken but able to move. I have decsribed the events the same way every time I have spoken about them, whether with the other driver, the responding officer, or the adjuster on the phone. I am the named drvier on this policy and I am submitting this statement so the claim can be reviewed. I have included the photos I took at the scene, and I am willing to provide any further inforamtion that would help.
