Claim Notes

Claim number:	C-1208
Claimant:	Emily Baker
Adjuster:	Christopher Wong

04/23/2025
Claimant reported a rear-end impact while the insured vehicle was parked in a lot, and the claim was opened the same day with a request for a rental.

06/26/2025
The driver is named on the policy and the coverage was in force at the time of the reported loss. Nothing suggests the damage happened before the coverage started.

06/27/2025
Claimant is represented by counsel, who has asked that all contact go through their office. Future requests will be routed accordingly.

06/30/2025
Responding officer's notes place the claimant in the vehicle at the scene. No witness account, photographs or separate report of the impact have been located.

07/22/2025
Inspection of the vehicle shows damage to the rear bumper and tail lamp housing. No earlier damage to the vehicle is known from prior claims or inspections.

07/30/2025
Repair estimate has been received, but it is not yet clear whether all of the listed damage came from this impact or from other causes.

09/03/2025
Claimant's initial statement was recorded by phone. A follow-up interview added a few minor details about position and speed, but the core account stayed the same.

09/25/2025
Medical records show a neck and back strain, which is a plausible injury for a collision of this type. Claimant was referred for physical therapy.

09/30/2025
Prior records show treatment to the same body area within the last two years. That earlier condition appears to add to the current complaints and will be considered in evaluating the injury.

11/23/2025
Treatment followed a usual course and tapered off as the claimant improved. Latest therapy notes describe reduced pain and better range of motion.

12/01/2025
File reviewed and sent to the bodily injury unit for evaluation. Liability and damage questions remain open pending the repair review and the claimant's counsel's response.

Statement of:	Emily Baker
Taken by:	Christopher Wong
Date:	04/08/2025

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather just keep it to the accident, if that's okay.

Q: That's fine, we'll keep it focused. Can you descrbie where the collision happened?

A: It was in a parking lot at a shopping center in League City, Texas. I was pulling out of a space near the front entrance.

Q: What were you doing right before the impact?

A: I had my signal on and I was backing out slowly. I checked my mirror, but a pickup was coming down the aisle fasetr than I expected.

Q: How fast would you estimate the other vehicle was moving?

A: Honestly, it wasn't fast, maybe a brisk walking pace for a car in a lot. But I didn't see it until it was already close.

Q: Did you exchange information with the other driver?

A: Yes, we swapped insuracne details and took a few photos of the bumpers.

Q: Did you notice any injuries at the scene?

A: My neck jerked forward and then back, and my lower back started aching within an hour or so. I didn't go to the ER, but I went to my doctor the next day.

Q: What symptoms are you still having?

A: Stiffness in the morning, a dull ache across my shoulders, and sitting for long periods bothers my lower back. I've been doing some stretching and taking over-the-counter pain relievers.

Q: Have you had any proir neck or back problems?

A: Nothing serious. I had some occasional soreness years ago from lifting at work, but it cleraed up on its own.

Q: Is there anything else you'd like to add?

A: Just that I'm willing to follow up with my doctor and provide the records. I want this taken care of properly.

Q: Thank you. That concludes the statement.
