Officer's narrative

Officers responded to a rear-end collision in Pasadena, Texas, involving two vehicles traveling in the same direction on a city street. Driver 1 was stopped at a signal when the vehicle operated by Driver 2 struck the rear bumper. Driver 1 reported a wrist fracture and was transported for treatment. The reoprted injury is consistent with the type and force of this impact. Damage to both vehicles corresponds with the description given by the drivers, and no prior damage to either vehicle was known to those interviewed. Photographs taken at the scene confirm the general positions of the vehicles and the location of the impact. No independent witnesses were located. Driver 1 is listed as the named insured on the policy covering the vehicle involved. Driver 1 stated having been seated in the driver's position, although the passenger seat lcoation was not clearly established during the interview and remains unclear from the available information. Passenger, who was in the front seat of Driver 1's vehicle, reported no injuries at the scene.
