Description of the accident (claimant's words)

I was driving slowly through an intersection in League City, Texas, when the other vehicle came straight toward me and we collided head-on. Traffic was light and the roads were dry, so there was little time to react. I have described the events the same way each time I have spoken about them, whether to the officer at the scene, to the adjuster, or to my own doctor. I am the named driver on this policy and I was operating my own vehicle at the time. Afterward I felt a sharp pain in my lower back that worsened over the following day, and I was diagnosed with a back strain. I have been following my treatment plan and am submitting this claim so the cotss of my care and the damage to my car can be reviewed.
