Claim Notes

Claim number:	C-1215
Claimant:	Paul Wells
Adjuster:	Jerry Hanson

1-23-24
Claim received for a sideswipe that occurred while the insured was changing lanes on a multi-lane road. The claimant is reprseented by counsel, and the file has been opened for bodily injury and property damage.

2-20-24
Reviewed the policy record and confirmed the driver involved is named on the policy and the coverage was in force at the time of the loss.

2-26-24
Police report obtained. It places the claimant in the vehicle at the scene and records the lane-change sideswipe as described in the first notice of loss.

4-21-24
Statements taken from two independent witnesses and the other driver. All three describe the collision the same way, and photos from the scene are consistent with that account.

5-3-24
Inspected the vehicle damage. The location and pattern of the damage match the described impact, and there is no sign of earlier damage to the vehicle in the records or on inspection.

5-14-24
Claimant's counsel provided the medical file. The reported neck and back strain fits the kind and force of the crash, and no prior treatment to the same body area appears in the records.

6-17-24
Follow-up interview with the claimant. Some small details were added to the account, but the core description of the collision has not changed from the first statement.

6-29-24
Treatment followed a typical course and tapered as the claimant improved. Provider notes show steady progress with no unusual gaps or escalation.

7-4-24
Nothing in the file suggests the damage predates the policy start. Recommend proceeding with evaluation of the bodily injury and property damage claims under standard handling.

Recorded Statement

Claim number:	C-1215
Statement of:	Paul Wells
Taken by:	Jerry Hanson
Date:	12-15-23

Q: Thank you for taking the time to speak with me today. This recroded statement concerns the sideswipe collision you reported in Pearland, Texas. Please state your full name for the record.

A: Please don't use my name in the file, just refer to me as the claimant. I'm fine with the rest.

Q: Understood. Can you describe where you were and what you were doing when the collision happened?

A: I was driving in the right lane of a multi-lane road in Pearland, heading toward a turn. Traffic had slowed, so I moved left to get around a parked delivery truck that was partly blocking the lane ahead.

Q: Did you signal before you changed lanes?

A: Yes, I activated my left turn signal and checked my mirror. I didn't see anything beside me when I started to move over.

Q: What happened next?

A: The other vehicle was in the left lane, and it came alongside me as I was merging. We made contact along the passenger side of my car and the driver's side of theirs. It was a scraping impact, but the force pushed my car toward the curb.

Q: Did either vehicle leave the roadway?

A: No, I stayed on the road and pulled onto the shoulder once I could cotnrol the car.

Q: How are you feeling now?

A: My neck is stiff and sore, and I have a dull ache across my lower back. I got checked at an urgent care clinic that same afternoon. They diagnosed a neck and back strain and gave me muscle relaxers and a referral to physical therapy.

Q: Have you had any prior injuries to your neck or back?

A: No, nothing that required treatment. I've had normal aches from sitting at a desk, but nothnig like this.

Q: Is there anything else you'd like to add to your statement?

A: Only that I want the repair shop and the medical providers to have my full records. I'm willing to sign any authorizations you need.

Q: Thank you. This concludes the statement.
