Description of the accident (claimant's words)

I was driving through the intersection on a green light when a vheicle coming from my right ran its red and struck the driver's side of my car. The impact spun my vehicle slightly and pushed it toward the curb. I was shaken but able to get out and speak with the other driver, who admitted the light had been red for them. When the police officer arrived, I gave the same account I am giving here, and I have repeated it every time I have been asked since. I felt a sharp pain in my right shoulder witihn the hour, and my doctor has since confirmed a shoulder injury that is limiting my ability to lift and reach. I am the named driver on this policy and I was operating the vehicle with the owner's permission at the time of the collision. I am submitting this statement to support my claim for medical costs and vheicle repairs.
