Description of the accident (claimant's words)

I was driving through the intersection on a green light when a vehicle coming from my right entered at speed and struck the side of my car. The impact spun my vehicle partway around and pushed it toward the curb. I stopped as soon as I could, checked on my passenger, and called the police from the scene. I have been the named driver on this policy for the entire period it has been in force, and I have kept the same account of what happened each time I have described it to the adjuster, the officer, and the medical staff. I felt a sharp pain in my neck within the hour and was diagnosed with a neck strain. I am attaching the police report number and the treatment notes. I am asking that this claim be reviewed so that my medical costs and the damage to my vehicle can be covered.
