Description of the accident (claimant's words)

I was driving through the intersection on a green light when a car coming from my left failed to stop and struck the driver's side of my vehicle. The impact pushed my car sideways into the curb. I hit my right knee against the door frame and felt sharp pain almost immediately. I have given the same description of what happened to everyone who has asked me about it, including the officer at the scene, the other driver, and the adjuster I spoke with afterward. I am the named driver on this policy and was the only person in my vehicle at the time. I stayed at the scene until emergency medical staff checked me, and I have since been seen for ongoing swelling and limited movement in the knee. I am submitting this statement so the claim can be reviewed with my account on record.
