Description of the accident (claimant's words)

I was stopped at a red lihgt on a main road in Pasadena, Texas, when the car behind me struck the rear of my vehicle. The impact was hard enough to push me forward against my seatbelt, and I felt an immediate stiffness and pain in my neck and upper back. I stayed at the scene until the other driver and the responding officer had finished speaking with me. I have described the events the same way each time I have been asked, whether at the scene, to the adjuster, or to my doctor. I am the named driver on this policy, and I am filing this claim for the medical treatment I have needed since the collision, including visits for whiplash and the physical therapy my doctor recommended. I am willing to provide any further records that would help process this claim.
