Recorded Statement

Claim number:	C-1230
Statement of:	Erik Ayers
Taken by:	Jerry Hanson
Date:	2025-01-23

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather not give my full name on a recording, but I can confirm I'm the driver who was involved in the collision.

Q: That's fine, we'll note you as the driver. Can you describe wehre the collision happened?

A: It was on a two-lane road in Katy, Texas, near a shopping center. Traffic was light and I was heading in the direction of the main road.

Q: What happened right before impact?

A: The other car drifted into my lane while coming around a slow vehicle. I tapped the brake, but there wasn't enough room to avoid it.

Q: How fast were you traveling?

A: Not much, maybe fifteen or twenty miles an hour. It was a low-speed impact, and both cars were still moving when they stopped.

Q: Did you hit your head or lose consciousness?

A: No, I didn't hit my head. My seatbelt locked and jolted me forward and back. I felt fine for a few minutes.

Q: When did you first notice pain?

A: By the next morning my lower back was stiff and sore. Bending and lifting made it worse, and I've been taking over-the-counter pain relievers since then.

Q: Have you seen a medical provider?

A: Yes, I was seen at an urgent care clinic. They diagnosed a back strain and gave me instructions for rest and stretching, and I'm scheduled for a follow-up.

Q: Do you have any prior injuries to your back?

A: I had some occasional stiffness years ago, but nothing that required treatment that I can recall.

Q: Is there anything you'd like to add?

A: Only that I'm cooperating fully and I'll provide the cliinc records whenever you need them.

Q: Thank you. This concludes the statement.
